Subject: Final Sampling and Analysis Plan Addendum (UFP-SAP/QAPP)
Phase 3 Remedial Investigation for Site 12 – Harbor Dredge Spoil Area
Naval Station Great Lakes
Great Lakes, Illinois

Dear Ms. Van Donzel:

Please find enclosed two hard copies and two electronic copies on compact disc (CD) of the subject sampling and analysis plan (SAP) for your files. Illinois EPA's July 3, 2013 comments on the draft SAP were address during preparation of the final SAP in accordance with the attached Response-to-Comment document. Illinois EPA provided concurrence on July 24, 2013 with the responses and the changes made to the SAP. Copies of the final SAP have also been distributed as indicated below. The field work associated with the SAP is planned for the week of August 12, 2013. If you have any questions regarding the SAP or field work, please contact me at 412-921-8984.

Sincerely,

Corey A. Rich, P.E.
Project Manager
